BMW's Commitment to Environmental Sustainability in the SC Upstate

**Wednesday, November 3rd
From 3-4 PM**

CLC Ballroom Room 310

SNACKS AND DOOR PRIZES!

SPEAKER

Mr. Travis Tarbet

Environmental Manager
for BMW Manufacturing Co. LLC

Mr. Tarbet is responsible for environmental compliance and environmental management activities at the BMW plant in Spartanburg. He will speak about BMW's efforts to reduce production-related CO2 emissions by 80% by 2030 and other local and global commitments to environmental sustainability.
